POLICY CANCELLATION

In case a person who have purchased a health insurance is unable to travel, he will be able to recover the paid insurance Premium, provided he notifies the Insurance Company latest 24 prior to the inception date of the policy and returns them the policy he will have cancelled.

NOTE

N.B: - With reference to Management Provisions related with informations concerning Insurance Agreements published in the Official Gazette dated of 28.10.2007 No. 26684, detailed information concerning our Company's insurance services and products may be obtained via www.aksigorta.com.tr.

Unilateral cancellation right stipulated by the legislation concerning insurance contracts is reserved.

You can apply to Consumers Court, Consumers Arbitration Board or Insurance Arbitration Commission with respect to your complaints and objections related to the policy.

There is Security Account within the scope of 14th article of the Insurance Law. Accordingly, this account can be referred to for the physical and bodily injuries which are required to be paid in case the licenses in all branches are cancelled permanently due to the financial structure incapacity of the insurance company or in case of bankruptcy.

SPECIAL TERMS AND CONDITIONS OF PREMIUM TRAVEL HEALTH INSURANCE

Upon the occurrence of the events during the travel which led to the purchase of the policy, all coverage elements shall apply in European countries except Turkey, or all countries worldwide except Turkey, based on the coverage area (i.e. Europe or the World) chosen by the Insured as specified in the policy's coverage area section.

The coverage shall commence upon the exit from Turkish customs, and shall automatically expire upon entry through Turkish customs, even if the policy period has yet to expire. The policy shall remain in effect for travels to last for a maximum of 92 days for each travel. Unlimited entries-exits are allowed within the framework of long-term policies.

**PREMIUM TRAVEL INSURANCE (COVID-19 INCLUDED)**

AGENCY NO	POLICY NUMBER	CODE	INCEPTION DATE	EXPIRY DATE	PERIOD (DAYS)
16562	P-433425980-0-0	SA2	02/03/2026	02/03/2027	365

The medical treatment coverage for injuries or illnesses is subject to a limit of 30,000 Euros. The coverage for the transportation of the Insured as a result of injury or illness, transportation to permanent residence, and the transportation of the deceased insured shall be provided through services subject to the terms of coverage and exceptions applicable.

Other coverage elements shall be provided in line with the limits and coverage figures provided in the summary table.

DEFINITIONS

Insured / Beneficiary: The person who purchased the attached travel assistance package, for whom the policy was issued, and who was reported to IPA before proceeding with the travel, during the validity period of this agreement.

Company: INTER PARTNER ASSISTANCE Yardım ve Destek Hizmetleri Tic. A.Ş.

Policy: The document issued by the Company within the framework of the insurance agreement it has with the Customer, specifying the coverage elements, terms, and limits provided in the Agreement.

Policy Period: The time frame between the commencement and end dates of the policy issued.

The scope of the policy shall come to an end upon (the earlier one of) the end of the travel which led to the purchase of the policy and/or return of the Insured to the province/country of her Permanent Residence.

Emergency: The cases which occur outside the control of the Insured, requiring immediate intervention and external professional medical assistance.

Physical Injury: Serious medical cases arising completely and directly in the aftermath of an accident, and bodily injuries posing a risk for the Insured's life, occurring during the term of the present Agreement, and excluding illnesses and conditions.

Permanent Residence: The address of the Insured's permanent residence inside the borders of Turkey.

Illness: Sudden and unforeseeable conditions arising after the execution of the insurance and during the insurance term, for which a medical report is issued by the team providing the treatment.

Accident: Sudden events occurring outside the control of the Customer, during the policy term, and within the coverage of insurance, causing bodily injuries which can be proven with medical diagnoses and examinations.

**PREMIUM TRAVEL INSURANCE (COVID-19 INCLUDED)**

AGENCY NO	POLICY NUMBER	CODE	INCEPTION DATE	EXPIRY DATE	PERIOD (DAYS)
16562	P-433425980-0-0	SA2	02/03/2026	02/03/2027	365

Chronic Illness: The illnesses which are known or unknown by the commencement date, which exhibit acute complications during the policy term, and which can continue till the end of life.

Medical Team: The medical team comprised of doctors, nurses, and paramedics, serving 7/24, and defined by the company's supervising physician based on the characteristics of each case.

Medical Institution: The private or public institution which provide outpatient/inpatient treatment services, and which is licensed and regularly audited by the relevant authorities of the relevant country.

Pre-Existing Conditions: Medical conditions existing before insurance commencement date; the cases where the insured had been aware of the existence of covered conditions or clinical symptoms thereof before the insurance commencement date, or conditions which were unknown to the Insured but the incubation period of which had begun before the insurance commencement date.

Requested Assistance Service: The assistance services subject to the terms specified in the Agreement, and requested by the Insured or another person acting on behalf of the Insured, by calling the numbers assigned by the company to the Company.

Relatives: Nuclear family (spouse, child(ren)) residing at the same home.

GEOGRAPHICAL SCOPE

Based on the terms of policy purchase by the Insured, the insurance shall cover either the European countries except Turkey, or the whole world except Turkey.

* Countries subject to embargoes are not covered.

SCOPE

The Company shall immediately provide the assistance stipulated on this policy, in response to an unforeseeable event occurring during the policy term and while traveling in the geographical area specified in the policy, except the country of Permanent Residence, provided that the event does not occur outside the geographical coverage area, and outside the stipulated travel period. The scope of the policy shall come to an end upon (the earlier one of) the end of the travel which led to the purchase of the policy and/or return of the Insured to the Country of Permanent Residence. Long-term policies shall remain in effect for travels to last for a maximum of 92 consecutive days for each travel.

Under no circumstances the Company shall intervene in the rescue services to be provided by private or public agencies in the context of a rescue operation, and shall not be held liable for such services.

Skiing as a sport, engaged in on a personal basis and for pleasure, outside the context of any competition, including even amateur ones, without holding a license, without seeking to earn money, and without being

a part of a sports team, shall be considered covered. Any medical transportation and rescue activities requested outside the track, or on the track inaccessible via road, as may be required in case of any injury occurring during sports activities, as well as costs to arise as a result of such activities, are not covered.

In case the Insured is lost or has an accident during skiing, the Company's liabilities regarding the coverage provided in the present policy shall commence upon the finding, rescue, and stabilization of the Insured.

The medical transportation service is covered for the transportation of stabilized patients who received first aid from a medical team, at locations accessible in terms of weather, road, physical and geographical conditions by a land-based patient transportation vehicle approved by the Company physician. Other cases are not covered.

The services to be provided after the injury which occurred during sports activities in question shall, under no circumstances cover first aid services, and instead are limited with the services to be provided after first aid and rescue.

The policies to be issued by Tour Operators and Travel Agents, and the travel policies to be issued for Truck Drivers are also covered by the present Agreement.

APPLICATIONS AND PREMIUM PAYMENTS

- The insurance application and the Insurance Agreement should be effected before the Insured begins her travel.
- The Insurer is entitled to refuse the applications effected afterwards, both at the time of executing the agreement, and during the policy term.
- The cases excluded from coverage cannot be covered through surcharges.

COVERAGE

All coverage elements provided below shall apply upon the occurrence of the events during the travel which led to the purchase of the policy, in European countries except Turkey, or all countries worldwide except Turkey.

The medical treatment coverage for injuries or illnesses is subject to a limit of 30,000 Euros.

The coverage for the transportation of the Insured as a result of injury or illness, transportation to permanent residence, and the transportation of the deceased insured shall be provided through services subject to the terms of coverage and exceptions applicable.

Other coverage elements shall be provided in line with the limits and coverage figures provided in the summary table.

The Travel Cancellation coverage shall apply only before the Insured leaves her Permanent Residence, and before the vehicle she shall be using starts moving.

1. Medical Advice and Consultation

Company's Medical Team will provide information on any medical problem the Insured may have. In this context, the names, addresses, and phone numbers of physicians, specialists, dentists, hospitals, diagnosis centers, pharmacies and on-call pharmacies will be provided. Advice on the measures to be taken with reference to the medical problem will be provided. However no diagnosis shall be applied, and no medicine shall be recommended. In case emergency medical intervention is required, the Medical Team shall make all arrangements.

2. Medical treatment due to injury or illness

In case the insured incurs a sudden illness or injury during her travels, any outpatient / inpatient treatment costs, as well as the medicine prescribed by the relevant doctor shall be covered subject to the limits stipulated and the assessment by Company's Medical Team.

In cases where the medical report is not considered sufficient in medical treatment considerations, the Company's Medical Team may request the submission of extra documents by the Insured.

As an exception to cases excluded, should the Insured fall ill with an infectious disease from the commencement of the travel on, the treatment costs shall be covered within the framework of the policy limit, under the present coverage.

This coverage applicable during the whole term of insurance shall be subject to a limit of **€30,000**.

*** The damages to arise in case the Insured travels to a country or territory regarding which an international agency or the relevant authorities of the departure-arrival country had issued recommendations to avoid travel.**

**** The damages to arise in case the Insured skips on the vaccines, protective vaccines or medicine recommended before travel to the destination country, are not covered.**

3. Transportation or Travel of the Insured on Medical Grounds

PREMIUM TRAVEL INSURANCE (COVID-19 INCLUDED)

AGENCY NO	POLICY NUMBER	CODE	INCEPTION DATE	EXPIRY DATE	PERIOD (DAYS)
16562	P-433425980-0-0	SA2	02/03/2026	02/03/2027	365

Provided that the case is covered by insurance, and on the basis of the Company's Medical Team, in cases of sudden onset of illness or injury of the Insured during the insurance period, where the failure to intervene within 24 hours would lead to life threatening circumstances, the Insured shall contact the company. The company undertakes to cover all expenses required for the transportation of the Insured to the nearest available medical center or from one medical center to another, or to her permanent residence after discharge, using any means of transportation deemed reasonable by the accompanying doctor and/or company physician (scheduled flight or land ambulance).

For illnesses/cases which are not covered, the ambulance fee shall not be covered by the company. Any transportation not effected or organized (in terms of plane ticket, air ambulance etc.) by the Company's Medical Team are not paid for by the company. The relevant arrangements must be made by the company.

As an exception to cases excluded, should the Insured fall ill with an infectious disease from the commencement of the travel on, the treatment costs shall be covered within the framework of the policy limit, under the present coverage.

- Transportation with Air Ambulance is available only for European countries.
- Medical transportation (air ambulance / land ambulance / stretcher flight) limits are subject to the overall limits of the policy.
- No ambulance expenses shall be paid for illnesses/cases which are not covered.
- Any transportation not effected or organized (in terms of plane ticket, air ambulance etc.) by IPA Medical Team are not paid for by IPA. The relevant arrangements must be made by IPA.
- The damages to arise in case the Insured travels to a country or territory regarding which an international agency or the relevant authorities of the departure-arrival country had issued recommendations to avoid travel.

The damages to arise in case the Insured skips on the vaccines, protective vaccines or medicine recommended before travel to the destination country, are not covered.

4. Transportation of the Body in accordance with Medical Requirements in case of the Insured's Death

In case of the Insured's death during her travels abroad, as a result of an infectious disease, IPA shall take all measures required for the transfer of the body to the place of permanent residence, and shall provide transportation to the place of burial in Turkey, in a coffin paid for to provide transportation in accordance with international medical requirements. The funeral arrangements and burial are not covered.

The coffin coverage is limited to the standard coffin required for the transportation of the body.

The transportation procedures can be performed within 5-15 (five - fifteen) business days, subject to the procedures of the relevant country. These time frames can be extended in cases of death due to an infectious disease.

5. Delivery of Urgent Messages

In medical cases the Company is involved in, it arranges the exchange of urgent messages between the Insured and her friends, business associates, and relatives at her place of residence, as per the Insured's request.

6. Supplementation of Personal Belongings

The company shall provide for and arrange the dispatch from Turkey of supplements to replace glasses, contact-lenses, prosthetic limbs, and similar equipment which were broken, lost, or stolen. The costs for the glasses, contact lenses, prosthetic limbs etc. shall be covered by the Insured, or the delivery of glasses, contact-lenses, prosthetic limbs etc. shall be ensured provided that these are brought to the Company's office in Istanbul. Costs of shipments up to 5 kg shall be covered by the Company.

7. Dispatch of Required Medicine

During the travel, prescribed medicine (the medical necessity of which is approved by the Company's Medical Team) the equivalent of which cannot be obtained, shall be procured, at the Insured's expense. Shipping charges for dispatches up to 5 kg shall be covered by the Company.

8. Providing return to the place of residence following treatment

The Company shall arrange the transportation of the Insured to her Permanent Residence in Turkey at the end of the treatment abroad, and cover the required expenses.

- a) For illnesses/cases which are not covered, the transportation shall not be covered by the company. In case the claim is deemed to be covered by the policy as per the medical assessment to be applied, the transportation will be effected subject to medical approval.

- b) The Company's Medical Team and the Doctor providing treatment shall decide, in line with the written report by the Doctor providing treatment), if the medical state of the Insured allows travel as a normal passenger or requires additional arrangements, as well as on the appropriate means of

transportation regarding the Physical Injury or Illness (e.g. land ambulance, air ambulance, stretcher flight).

c) Any transportation not effected or organized (in terms of plane ticket, air ambulance etc.) by the Company's Medical Team are not paid for by the company. The relevant arrangements must be made by the company.

d) Transportation with Air Ambulance is available only for European countries. In other regions, the Service Provider shall be liable only for the expenses for land ambulances and stretcher flights. However, all arrangements regarding the air ambulance shall be effected by the company.

9. Delays due to Overbooking

For the purposes of covering the initial emergency costs, and provided that the original invoices are submitted, the Company will cover the Insured's costs subject to a limit of €500, in case the Insured's travel is delayed for more than 6 hours due to overbooking by the airline with respect to a scheduled flight, as the insured is abroad.

* The Insured shall be required to obtain the relevant documents from the airline.

10. Missing Connecting Flight due to Delay

The Company will cover the Insured's costs subject to a limit of **€150**, to cover her initial emergency costs, provided that the original invoices are submitted, in case the scheduled international flight is delayed due to technical problems, natural disasters, weather, or any cause considered force majeure by official authorities, and in case it is not possible to proceed on a 2nd flight specified on the original ticket (for which the booking is closed) to be transferred to.

- The Company's Medical Team shall review the case with respect to emergency expenses.
- The Insured shall be required to obtain the relevant documents from the airline.
- Any refunds provided by the relevant airline should be reported by the Insured to the company. The payments provided by the airline shall be deducted off the claim payment.
- Force majeure: Unavoidable circumstances impossible to prevent, like natural disasters such as floods or earthquakes.

11. Return of immediate family members in case of the death of the insured

In case the insured passes away abroad, and in case the return of her family home on previously made arrangements is impossible, the company shall arrange and pay for the return of such individuals to their residence, using their existing tickets, if any.

- a) Any transportation not effected or organized (in terms of plane ticket, air ambulance etc.) by the Company's Medical Team are not paid for by the company. The relevant arrangements must be made by the company.
- b) This coverage applies for conditions which are not covered, on the basis of the medical assessment.
- c) To provide the services associated with the relevant coverage, the death certificate should be submitted prior to or after the arrangements.

12. Monitoring of the medical state of the insured's immediate family member

In case one of the Insured's relatives in Turkey suffers a physical injury or falls ill, the medical state of the relative shall be monitored by the Company's Medical Team, and any changes in her state shall be reported to the insured.

13. Unforeseeable return to the country (in case of the death of an immediate family member)

In case the Insured is required to urgently return to the country due to the death of an immediate family member at her place of residence, the air fare for a economy class scheduled flight (using her existing ticket, if any) to allow the Insured to return to Turkey shall be covered and the flight shall be arranged by the Company.

- a) The Insured should, upon return, submit a document to serve as the proof of death.
- b) This coverage applies for conditions which are not covered, on the basis of the medical assessment.

14. Administrative Assistance

In case the Insured loses required documents such as the passport, entry visa, or plane ticket, the Company shall provide consultation to the insured with respect to filing applications with relevant authorities, and to relevant information to help her obtain replacements for the documents lost.

15. Lost or damaged luggage

In case luggage "**checked-in**" (IATA) in scheduled international flights is lost, stolen, or damaged, but cannot be found by the airline within the stipulated time frame (a minimum of 21 days), the Company shall pay the Insured subject to the limit of **€200**, provided that the airline had issued a lost, damaged, or stolen

luggage report. The claim payable by the firm shall be deducted off the claim paid by the responsible airline and the claim payable under the delayed luggage article. The Insured shall be required to submit the list of the contents of the luggage, estimated price and dates of purchase, and the claim payment document received from the airline.

- a) The items such as money, jewelry, credit cards, cash, traveler cheques, case receipts, electronic devices such as cell phones, photo cameras, video cameras etc. laptop computers, private documents, stamps and similar objects which are not considered essential needs shall not be covered in this context.

16. Finding and delivering lost luggage

The Company shall provide help to the insured for the preparation of reports, and consult and assist her for the contacts required for finding the lost luggage.

In case the luggage is found, the Company shall send it to the permanent residence or the designated destination of travel.

17. Legal Assistance

In cases of accidents the Insured may incur, other than traffic accidents suffered while driving, the Company shall;

- i) Arrange an attorney to provide defense of the insured before the judicial authorities in the relevant country, and
ii) Implement necessary procedures to obtain compensation from third parties for claims in excess of €300 for cases where the insured is injured or her personal belongings are damaged.

On these issues, the attorney appointed by the Company shall assist the Insured within the framework of laws. The Company shall not be held liable in any way, due to consequences, with reference to its appointment of attorney.

The attorney fees shall be covered directly by the Company up to a limit of **€1,000**.

- a) Appointment of attorneys abroad shall be effected through AXA Partners global office and service centers, subject to the capabilities available.
b) For the purposes of the present coverage, documents and reports certifying the accident, the hospital report on the bodily injury incurred, and the petition for the lawsuit filed for the damages claim, as well as a complete copy of the statement form shared with the insured can be requested by AXA Partners.

18. Advance Payment for Bail

**PREMIUM TRAVEL INSURANCE (COVID-19 INCLUDED)**

AGENCY NO	POLICY NUMBER	CODE	INCEPTION DATE	EXPIRY DATE	PERIOD (DAYS)
16562	P-433425980-0-0	SA2	02/03/2026	02/03/2027	365

In case the following requirements are met, the **€2,000** figure shall be paid by the Company as an advance on behalf of the Insured;

- Payments required with respect to legal procedures. Personal damages the insured is required to third parties, as well as fines are not covered.
- The payments required for the release of the Insured who was taken into custody as a result of a traffic accident (bail).

The advance payment in question shall be considered as a loan from the company to the Insured. If the Insured is indicted and thereafter duly acquitted, she shall be under obligation to immediately repay the advance paid to her to the Company. In case the court finds the insured guilty, the insured shall be under obligation to repay the advance paid to her, to the Company, within 15 days of notification about the court order. In both cases the insured shall be under obligation to repay the advance to the Company, within a maximum of 3 weeks. The Bail Advance does not cover cases related with crime, and the cases to arise when driving motor vehicles.

19. Delay in Travel

In case the Insured's travel is delayed as a result of the hazards covered as provided below, the emergency expenditures the Insured shall incur after 4 (four) hours had passed after the scheduled time of departure shall be covered at a rate of 40 Euros per hour, up to a maximum of 12 hours after the scheduled time of departure, and a total of 480 Euros.

Covered Risks:

- Delays by the carrier due to bad weather.
- Delays caused by strikes or other acts by the carrier of the scheduled flight to be utilized during the travel.
- Delays caused by a failure of the carrier's equipment.

20. Cancellation of Travel

Provided that the Insured had made a payment to the travel agent, in cases she has to cancel her travel on the grounds specified below, before the commencement date of the tour, and the departure of the travel vehicle used, a coverage up to 1,000 (one thousand) Euros is provided subject to coverage limits:

- Death, serious and critical accident or illness; the need to hospitalize the Insured, his/her spouse, children, parent, or the person to babysit for his/her children at the permanent residence, during the travels (the medical report should be obtained from a state-owned or private general hospital, and supported by the medical examination report, treatment details and relevant diagnoses registered officially in the hospital system, and signed by at least 2 physicians including the examining physician and the chief of medicine.),
- In cases of hospitalization or death, the insured's case shall be reviewed to see if it is not excluded from coverage, and any procedures not covered by the policy shall not be paid for.

AGENCY NO	POLICY NUMBER	CODE	INCEPTION DATE	EXPIRY DATE	PERIOD (DAYS)
16562	P-433425980-0-0	SA2	02/03/2026	02/03/2027	365

c. The Insured being summoned to court as a witness (provided that a copy of the summon is sent to the company, and the summon being dated after the purchase date of the policy),

d. The Insured being unable to leave her home or office, due to such sites being rendered unusable or due to the risk of excessive damage therein, as a result of theft, fire, explosion, or natural disasters affecting the home or office of the Insured (for this coverage to apply, the Insured should submit a document such as a firefighters' report or police report received from relevant authorities, and describing the event, to the company),

e. Provided that the person accompanying the insured has the same policy, and the policy was purchased for the same tour, such person being forced to cancel the travel due to abovementioned reasons,

f. The Insured should notify the travel agent as soon as possible, about the impending cancellation of travel. AXA Partners shall not be held liable due to any additional costs or charges which may apply as a result of any delay in such notification.

g. The travel fee returned by the liable travel agent, regarding which a document is to be submitted to AXA Partners and/or the insurer, shall be deducted off the damages payable under this coverage. This coverage shall not apply in cases where the travel policy was not purchased simultaneously with the travel itself.

Documents required for travel cancellation coverage:

- Photocopy of the policy,
- Tour registration form (agreement),
- Tour program,
- Document certifying the event (detailed medical report, death certificate, firefighters, police, insurance firm report). The said report should specify the date of the event (date of hospitalization, death, or event), type of loss or diagnosis, the course of the illness and the treatment to be applied (to be specified through a doctor's report to be obtained from state hospitals, university hospitals, or private hospitals which employ a relevant specialist),
- No-show certificate (cancellation fees receipt from the booking agencies),
- The original invoice and/or payment receipt attesting payment to the travel agent, a copy of the travel voucher provided by the agent.
- Original cancellation certificate issued by the travel agent, and the invoice for the cancellation costs.

21. Cash Advance Abroad

In case all or part of the cash the Insured has with her is lost or stolen when overseas, along with her debit card / credit card, AXA Partners shall provide 1,000 (one thousand) Euros as a cash advance loan, to enable her to meet her urgent needs, provided that the loss or theft is certified with a police report. Before the extension of the said amount to the Insured, a guarantee should be extended in the form of a document (cash advance form). The amount in question should be repaid to AXA Partners within 15 days.

**PREMIUM TRAVEL INSURANCE (COVID-19 INCLUDED)**

AGENCY NO	POLICY NUMBER	CODE	INCEPTION DATE	EXPIRY DATE	PERIOD (DAYS)
16562	P-433425980-0-0	SA2	02/03/2026	02/03/2027	365

For cash advances left unpaid within 15 days, AXA Partners shall resort to collection channels (legally applicable notice, contact via phone and in writing etc.), and shall also notify the Company about the issue, simultaneously. In case the amount in question was not repaid to AXA Partners by the end of 1 month to follow the extension of the advance, the amount shall be billed to the Company, with the approval and consent on part of the parties.

- a) The Insured is required to obtain the documents required from relevant authorities, including the police report.

22. General Information Service

The Insured is provided contacts with the general information service in order to get information about visa, passport, travel agency etc. issues as may be required with respect to the Insured's travel.

23. Delayed Luggage

The emergency expenditures the insured incurs during her wait at the airport, as a result the delaying of the checked-in luggage due to any reason during international scheduled flights (IATA flights), after the initial 4 hours window shall be covered at a rate of 40 (forty) Euros per hour, up to a maximum of 12 hours after the scheduled time of departure, and a total of 480 Euros. Detailed invoices attesting such expenditures should be submitted, along with the report issued by the airline with respect to the delay.

- a) The damages paid by the airline or the carrier shall be deducted off the payment to the Insured.

24. Loss of Passport or Ticket

In case the passport or the ticket for the scheduled flight back to Turkey is lost during the Insured's stay abroad, the costs incurred for reaching out to the authorities for obtaining a temporary passport or a new plane ticket shall be covered up to 250 Euros.

- a) The Insured is required to obtain the documents to be issued by the relevant authorities.

25. Support for the family of the hospitalized Insured

In case the Insured is to be delayed on her return to her Permanent Residence due to an illness or accident covered by the present policy, and in case her children younger than the age of 18 or other persons requiring care are staying at her Permanent Residence, the company shall arrange and cover the costs for the travel of any person to be appointed by the Insured in the Country of Permanent Residence, to the Place of Permanent Residence.

26. Legal Defense

The Company shall pay criminal defense costs arising out of or as a result of a traffic accident, up to €2,000. The Insured shall be required to submit to the company the original copy of the document received from the relevant authority, attesting the costs incurred.

- a) If possible, an attorney shall be appointed through AXA Partners global office and service center, at the country where the damage took place. Where it is not possible to appoint an attorney, the Insured shall be reimbursed for costs.

27. Return due to the discontinuation of travel because of damage to occur at Permanent Residence

The Insured being obliged to return to her Permanent Residence, due to such residence being rendered unusable or due to the risk of excessive damage therein, as a result of theft, flooding, fire, or explosion, the Company shall make necessary arrangements as per the Company's Team's assessment of the situation, and cover the costs, for the return of the Insured to her permanent Residence on an economy class scheduled flight (if possible, using her existing flight ticket as well).

- a) This coverage shall only apply in cases where the Insured cannot use the means of travel originally scheduled for the travel.
- b) For this coverage to apply, the Insured should submit a document issued by government authorities attesting the incident, such as the firefighters' report or police report.
- c) The arrangements for the unforeseen return to the country due to a damage occurring at the permanent residence, shall be based on the Company's Team's decision.

28. Travel of a family member in connection with the treatment to be applied to the Insured

In cases where the Insured is to be hospitalized for more than 7 days due to medical treatment needed in consequence of a sudden illness or injury covered by the policy, during her travel overseas, the Company shall arrange the travel of a family member to be nominated by the Insured, to the location of the hospital, and shall pay for the economy-class plane fare upon the review of the Company's Medical Team.

- a) The coverage shall apply for relevant conditions as per the medical review.
- b) The costs of plane tickets incurred independently by the insured's relatives, without consulting the company, shall not be paid by the company. The relevant arrangements must be made by the company.

29. Accommodation for a family member in connection with the treatment to be applied to the Insured

In cases where the Insured requires more than 7 days of hospitalization for a medical treatment needed in consequence of a sudden illness or injury covered by the policy, during her travel overseas, the Company shall cover a close relative's bed and breakfast accommodation costs incurred at a hotel or the hospital where the insured is accompanied, for a maximum of 5 consecutive nights, and subject to a daily limit of 75 Euros.

- This coverage applies for conditions which are not covered, on the basis of the medical assessment.
- The accommodation is arranged on the basis of the review by the Company's Medical Team.
- The accommodation shall be arranged by the Company.
- The accommodation covers only standard room + breakfast costs. Any extra costs shall be borne by the Insured.
- The accommodation costs regarding hotel bookings arranged by the Insured without consulting the company shall not be paid by the company. The relevant arrangements must be made by the company.

30. Return of children which can no longer be accompanied

The company shall cover the return of the 15 years old or younger children who were accompanying the insured during her travels, to the original country / residence in the company of a guardian (using the existing ticket if any), as the insured receives medical care.

- The arrangements made by the Insured herself, without consulting with AXA Assistance, shall not be paid for.

31. Extension of stay due to injury or illness

In case the doctor orders and certifies the grounds for an extension of stay overseas in case of an illness or injury covered by the policy, the hotel and other accommodation costs (standard room + breakfast) shall be covered by the insurance. The amount payable shall be subject to a limit of 200 Euros per day, for a maximum of 5 days.

32. Missing the Flight

In case the flight for international travel is missed due to force majeure, and in case the airline can offer another flight with or without a fine, as per the ticketing terms, the Airline's ticketing terms shall be reviewed

before the payment of the Policy Coverage Limits, and a payment up to 300 Euros shall be made for the Insured's loss.

- a) Force majeure: Unavoidable circumstances impossible to prevent, like natural disasters such as floods or earthquakes.

EXCLUSIONS

In addition to the cases left out of coverage as per the General Terms and Conditions of Travel Health Insurance, the following cases are also not covered by the present Insurance:

1. Fraudulent and intentional acts on part of the Insured who submits a claim within the framework of the agreement (statements contradicting the doctor's report; retracting existing statements etc.)
2. Any claim not specified as "covered" under the present Agreement, Any claim arising directly or indirectly from conditions known to the Insured before the date on which the coverage provided under the present Agreement had entered into effect,
3. Claims to arise due to natural disasters such as floods, landslides, earthquakes, volcanic eruptions, storms, or meteor impacts,
4. Wars or operations comparable to wars, revolutions, rebellions, acts of terror, insurrections and civil disorders caused by these,
5. Acts of terror specified in the Anti-Terror Law no. 3713, sabotage, and interventions by authorities to prevent or limit the impact of such incidents,
6. Nuclear risks or the use of nuclear, biological, or chemical weapons; or any attacks or sabotage to cause the release of nuclear, biological, or chemical materials,
7. Operations of armed forces or security forces or organizations,
8. Insured person engaging in conscious acts to pose grave hazards on her, save for the case of acts to save persons and property at risk,
9. Use, in the capacity of crew or passenger, of an air vehicle or helicopter which is not licensed for passenger transportation; driving motorcycles, leaving the country on a bike,
10. Treatment costs to continue in the aftermath of returning to the Insured's place of permanent residence at the end of the travel,
11. Expenses to arise with respect to any illnesses existing as of the application date or having roots which predate the insurance commencement date, even if never diagnosed and treated before, as well as any acute illness developments and complications to arise on a chronic basis (including costs related to death as a result of illness, and the transportation of the deceased's body and burial) are not covered.
12. Conditions such as flu/cold which are associated with a certain incubation period, and which commenced within 24 hours of the travel, Conditions which began during the incubation period prior to travel,

65. Protective vaccines, prophylactic treatments and procedures,
66. Treatments administered by persons who are not physicians,
67. Medical transportation or return to country for a condition or illness which can be treated on site,
68. Any charity activities carried out and costs incurred by or on behalf of the Insured, without authorization by the Company,
69. The Insured's failure to obtain the documents required with respect to coverage elements for which reports / documents are required,
70. Conditions and pathologies arising due to discretionary use of alcohol, medicine, toxicants, drugs or medical products obtained without a medical prescription,
71. The recurrence and complications, during the policy period, of the surgeries and treatments applied in the period before the insurance,
72. Damages to arise following the expiration of the coverage period stipulated in the policy,
73. In case the overall travel term exceeds 92 days in case of annual or six-monthly travel insurances, any medical treatments, medical transportation, and funeral transportation expenses to be incurred after the term of 92 days.

GENERAL PROCEDURE

In cases of an emergency, the Insured shall, before engaging in any personal efforts, call the company headquarters by dialing the phone number (0216) 524 33 22 given to her, 24 hours a day, and shall state:

- Ø Name and Surname,
- Ø Policy Number,
- Ø Policy start and end dates,
- Ø The problem she faces and the form of assistance she requires,
- Ø The address and phone number to access her.

The customer representative shall provide detailed information on the solution the company shall provide with respect to the Insured's request, and shall then terminate the call so as to proceed with the organization of the service. After making the arrangements for the service, the customer representative shall call the Insured and provide the service.

ACCURATE STATEMENT OBLIGATION

The Insured represents and warrants that all information she provides are true, and her own statements. Extra payment shall be demanded for any service provided by the company, in case the information provided by the Insured with respect to herself and/or the beneficiaries in the context of provision of services under the Agreement are found to be inaccurate, incomplete, or false. The Insured represents and warrants to cover any losses the Company may incur as a result of her inaccurate, incomplete or false statements on her part.
